

# Material Safety Data Sheet

## Section 1. Product and Company Identification

**Product Name:** Flo Rite® 1127 Concentrate  
**Product Code:** BUI/FLO1127CONC

**Manufacturer Information:** Becker Underwood, Inc.  
 801 Dayton Avenue  
 Ames, Iowa 50010  
 Information Phone: (515) 232-5907  
 Emergency Phone: Chemtrec (800) 424-9300

### Hazardous Material Information System:

Health	1
Flammability	1
Physical Hazard	0
Personal Protection	X

## Section 2. Hazard Identification

**Emergency Overview:** May cause respiratory tract, eye, and skin irritation.

### Potential Acute Health Effects:

- Eyes:* Short term harmful effects are not expected. However, irritation may develop causing itching and redness.
- Skin:* Short term harmful effects are not expected. However, mild skin irritation may develop causing itching and redness.
- Inhalation:* Short term harmful effects are not expected. However, exposure to vapors or mist may cause coughing or wheezing when inhaled.
- Ingestion:* Not an intended route of exposure. Short term harmful effects are not expected. However, may upset the gastrointestinal tract and cause diarrhea.

## Section 3. Composition/Information on Ingredients

The composition of this material is a trade secret. Contains no other components or impurities which will influence the classification with regard to human and environmental risk assessment.

## Section 4. First Aid Measures

- Eye Contact:** Immediately flush eyes with water for at least 15 minutes. Prolonged or repeated contact may result in mechanical irritation.
- Skin Contact:** Wash with soap and water.
- Inhalation:** Move to fresh air. Seek medical attention if irritation develops.
- Ingestion:** Seek medical attention.

## Section 5. Fire Fighting Measures

- Flammability of Product:** Not a fire or explosion hazard when stored under normal conditions.
- Fire Fighting Media:** Foam, alcohol foam, CO2, dry chemical, water fog.
- Protective Clothing:** This product is an aqueous mixture which will not burn. If evaporated to dryness, the solid residue may pose a moderate fire hazard. No special procedures required besides standard fire fighting procedures.

## Section 6. Accidental Release Measures

- Clean-Up Procedures:** Collect spilled material with an inert absorbent such as sand or vermiculite. Place in properly labeled and closed container. Dispose of collected material according to federal, state/provincial and local environmental regulations.
- Spills and Leaks:** Contain the spill or leak to prevent discharges to surface streams or storm sewers. This material is a concentrated dye/pigment. Small quantities in contaminated water solutions will color large volumes.

## Section 7. Handling and Storage

- Handling:** Avoid breathing fumes. General mechanical ventilation can be expected to effectively remove and prevent build up of any vapor or mist generated from handling this product in a closed environment. Protect eyes to prevent contact. Avoid prolonged or repeated exposure to skin.
- Storage:** Keep container in a dry place inaccessible to children and pets at temperatures above freezing. Keep containers sealed until ready for use.

## Section 8. Exposure Control/Personal Protection

Hazardous Components		Occupational Exposure Limits		
Component	CAS Number	OSHA PEL	ACGIH TLV	Weight Percent
Filler pigments**	Proprietary	20mppcf	2 mg/m <sup>3</sup>	0-10%

\*\*Dust limits for filler pigments are applicable for dried product only.

- Engineering controls:** General mechanical ventilation can be expected to effectively remove and prevent build up of any vapor or mist generated from handling this product in a closed environment.
- Personal Protection:**
- Eyes:* Wear safety glasses with side shields. Wear additional eye protection such as chemical goggles or face shield if splashing or spraying hazard exists. Have an eye wash station available.
  - Body:* To prevent skin contact wear coveralls, apron, boots, or lab coat.
  - Hands:* Avoid skin contact by using chemically resistant gloves.
  - Respiratory:* No respiratory protection required under normal conditions of use. Use local exhaust to control excessive vapors/mists. If excessive vapors or mists are persist use appropriate NIOSH/MSHA approved organic vapor/mist respirator.
- Other:** Open wounds or skin surface disruptions should be covered with a chemical resistant patch to minimize absorption risks. Clean clothing should be worn daily to avoid possible long-term build up of the product leading to chronic overexposure.

## Section 9. Physical and Chemical Properties

<b>Odor</b>	Slight odor	<b>Vapor Density</b>	Heavier than air
<b>Color</b>	Pearlescent	<b>Evaporation Rate</b>	Slower than ether
<b>Physical state</b>	Liquid	<b>Specific Gravity (H<sub>2</sub>O = 1)</b>	~ 1.1 g/mL
<b>pH</b>	NA	<b>Solubility</b>	Dispersible
<b>Melting/Freezing Point</b>	NA		

## Section 10. Stability and Reactivity

<b>Chemical Stability:</b>	This material is chemically stable under normal storage and handling conditions.
<b>Hazardous Decomposition:</b>	When involved in a fire, burning may evolve noxious fumes which may include carbon monoxide, carbon dioxide, nitrous oxides, acetic acid, or other toxic compounds depending on the chemical composition and combustion conditions. However, all of the water must be driven off first for this to occur.
<b>Hazardous Polymerization:</b>	Is not known to occur.
<b>Incompatibility (Materials to Avoid):</b>	Long term storage in direct contact with reactive metals such as aluminum, zinc, copper, nickel, magnesium, etc. Other materials to avoid include strong oxidizing agents.

## Section 11. Toxicological Information

<b>Chronic Toxicity:</b>	None known
<b>Mutagenic Effects:</b>	None known
<b>Teratogenic Effects:</b>	None known
<b>Developmental Toxicity:</b>	None known
<b>Acute Effects on Humans:</b>	May cause skin, eye, and respiratory irritation.
<b>Sensitization:</b>	Repeated or prolonged exposure to the substance at concentration above the exposure limits may cause respiratory tract and lung sensitization.
<b>Carcinogenic Effects:</b>	This material is not known to cause cancer in animals or humans.
<b>Existing Medical Conditions Aggravated By Exposure:</b>	May provoke asthmatic response in persons with asthma who are sensitive to airway irritants.

## Section 12. Ecological Information

<b>Ecotoxicity:</b>	No data available, however the material is not expected to have any deleterious toxic effect.
<b>Environmental Fate:</b>	No data available regarding the environmental fate or biodegradation.

## Section 13. Disposal Considerations

<b>EPA Waste Number:</b>	Non-hazardous waste
<b>Treatment:</b>	Dispose of according to all federal, state/provincial and local environmental regulations.

## Section 14. Transport Information

<b>D.O.T. Classification:</b>	Not regulated
<b>IMO/IMDG Classification:</b>	Not regulated
<b>IATA Classification:</b>	Not regulated

## Section 15. Regulatory Information

### Hazardous Material Information System III:

<b>TSCA Toxic Substances Control Act</b>	All ingredients are listed or exempt from the requirement.
<b>SARA Superfund Amendment and Reauthorization Act</b>	
<b>EPCRA Emergency Planning &amp; Community Right-to-Know Act</b>	
Section 302 Extremely Hazardous Substances	None of the chemicals in this product are listed.
Section 311 and 312 Hazards	<i>Acute:</i> No <i>Chronic:</i> No <i>Fire:</i> No <i>Pressure:</i> No <i>Reactive:</i> No
Section 313 Toxic Chemical Release Inventory	No reportable quantities of toxic chemical(s) subject to the reporting requirements of Section 313 of SARA Title III and of 40 CFR 372 are present
<b>CERCLA Hazardous substances</b>	None of the chemicals in this product have an RQ.
<b>Clean Air Act</b>	This material does not contain any hazardous air pollutants, nor any Class 1, 2 ozone depletors.
<b>Clean Water Act</b>	None of the chemicals in this product are listed as Hazardous Substances, Priority or Toxic Pollutants under the CWA.
<b>California Proposition 65 Carcinogens &amp; Reproductive Toxicity (CRT) List:</b>	No reportable quantities of carcinogens or reproductive toxins subject to the reporting requirements of California Prop 65

### Regulatory Listings

United States	(TSCA):	Listed
Canada	(DSL)	Listed

## Section 16. Other Information

### Hazardous Material Information System:

Health	1
Flammability	1
Physical Hazard	0
Personal Protection	X

Revision:	3
Revision date:	August 15, 2011
Supersedes:	March 9, 2010
