	6. ACCIDENTAL R			
Personal Precautions	Avoid contact with skin, e equipment.	eyes and clothing. Avoid dust formation. Use persona	l protective	
Environmental Precautions	Consult a regulatory specialist to determine appropriate state or local reporting requirements, for assistance in waste characterization and/or hazardous waste disposal and other requirements listed in pertinenet environmental permits Do not flush into surface water or sanitary sewer system.			
Methods for Clean-up	Sweep up and shovel into suitable containers for disposal.			
	7. HANDLING	GAND STORAGE		
Handling	Avoid dust formation. Avoid breathing dust. Keep out of reach of children. In case of insufficient ventilation, wear suitable respiratory equipment.			
Storage	Keep tightly closed in a dry and cool place. If allowed to becaome wet the product will deteriorate and represent a fire hazard.			

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Exposure Guidelines

Engineering Controls	Investigate engineering techniques to reduce exposures. Local mechanical exhaust ventilation is preferred. Consult ACGIH ventilation manual or NFPA Standard 91 for design of exhaust systems.
Personal Protective Equipment Eye/face Protection Skin Protection Respiratory Protection	Avoid contact with eyes. Goggles. Rubber gloves. Wear protective gloves/clothing. Where airborne exposure is likely, use NIOSH approved respiratory protection equipment appropriate to the material and/or its components. Full facepiece equipment is recommended and, if used, replaces need for face shield and/or chemical goggles. If exposures cannot be
	kept at a minimum with engineering controls, consult respirator manufacturer to determine appropriate type equipment for given application. Observe respirator use limitations specified by NIOSH or the manufacturer. For emergency and other conditions where there may be a potential for significant exposure, use an approved full face positive-pressure, self-contained breathing apparatus. Respiratory protection programs must comply with 29 CFR 1910.134.
